K-5 Science and Engineering Fair Registration Form

The Centennial Science Fair will be held Tuesday, March 6th, from 5:30-7:30pm this year. The Science and Engineering Fair is a non-competitive exhibition of K-5 student created science or engineering projects. Adults and other students will be viewing the projects along with Community Scientists/Engineers who will visit students giving an opportunity for them to show what they've learned.

Instructions: -One form per student please!

-Please complete **BOTH** sides of this form to participate.

-Registration forms must be turned into your classroom teacher no later than Friday, February 16th .

Please include first and last name. Please write neatly.
